

## CHAPTER 145

# MANUFACTURED AND MOBILE HOMES

### 145.01 Definitions

### 145.03 Foundation Requirements

### 145.02 Conversion to Real Property

#### 145.01 DEFINITIONS. For use in this chapter the following terms are defined:

*(Code of Iowa, Sec. 435.1)*

1. "Manufactured home" means a factory-built structure built under the authority of 42 U.S.C. Sec. 5403 which was constructed on or after June 15, 1976, and is required by Federal law to display a seal from the United States Department of Housing and Urban Development.

2. "Manufactured home community" means any site, lot, field, or tract of land under common ownership upon which ten or more occupied manufactured homes are harbored, either free of charge or for revenue purposes, and includes any building, structure or enclosure used or intended for use as part of the equipment of the manufactured home community.

3. "Mobile home" means any vehicle without motive power used or so manufactured or constructed as to permit its being used as a conveyance upon the public streets and highways and so designed, constructed or reconstructed as will permit the vehicle to be used as a place for human habitation by one or more persons; but also includes any such vehicle with motive power not registered as a motor vehicle in Iowa. A mobile home means any such vehicle built before June 15, 1976, which was not built to a mandatory building code and which contains no State or Federal seals.

4. "Mobile home park" means any site, lot, field or tract of land upon which three (3) or more mobile homes or manufactured homes, or a combination of any of these homes, are placed on developed spaces and operated as a for-profit enterprise with water, sewer or septic, and electrical services available.

The term "manufactured home community" or "mobile home park" is not to be construed to include manufactured or mobile homes, buildings, tents, or other structures temporarily maintained by any individual, educational institution, or company on its own premises and used exclusively to house said entity's own labor or students. The manufactured home community or mobile home park shall meet the requirements of any zoning regulations that are in effect.

**145.02 CONVERSION TO REAL PROPERTY.** A mobile home or manufactured home that is located outside a manufactured home community or mobile home park shall be converted to real estate by being placed on a permanent foundation and shall be assessed for real estate taxes except in the following cases:

*(Code of Iowa, Sec. 435.26 & Sec. 435.35)*

1. **Retailer's Stock.** Mobile homes or manufactured homes on private property as part of a retailer's or a manufacturer's stock not used as a place for human habitation.

2. Existing Homes. A taxable mobile home or manufactured home that is located outside of a manufactured home community or mobile home park as of January 1, 1995, shall be assessed and taxed as real estate, but is exempt from the permanent foundation requirement of this chapter until the home is relocated.

**145.03 FOUNDATION REQUIREMENTS.** A mobile home or manufactured home located outside of a manufactured home community or mobile home park shall be placed on a permanent frost-free foundation system that meets the support and anchorage requirements as recommended by the manufacturer or required by the State Building Code. The foundation system must be visually compatible with permanent foundation systems of surrounding residential structures. Any such home shall be installed in accordance with the requirements of the State Building Code.

*(Code of Iowa, Sec. 103A.10 & 414.28)*

**CHAPTER 150**  
**BUILDING NUMBERING**

**150.01 Definitions**

**150.02 Owner Requirements**

**150.03 Building Numbering Plan**

**150.01 DEFINITIONS.** For use in this chapter, the following terms are defined:

1. "Owner" means the owner of the principal building.
2. "Principal building" means the main building on any lot or subdivision thereof.

**150.02 OWNER REQUIREMENTS.** Every owner shall comply with the following numbering requirements:

1. Obtain Building Number. The owner shall obtain the assigned number to the principal building from the Clerk.

*(Code of Iowa, Sec. 364.12[3d])*

2. Display Building Number. The owner shall place or cause to be installed and maintained on the principal building the assigned number in a conspicuous place to the street in figures not less than three (3) inches in height and of a contrasting color with their background.

*(Code of Iowa, Sec. 364.12[3d])*

3. Failure to Comply. If an owner refuses to number a building as herein provided, or fails to do so for a period of thirty (30) days after being notified in writing by the City to do so, the City may proceed to place the assigned number on the principal building and assess the costs against the property for collection in the same manner as a property tax.

*(Code of Iowa, Sec. 364.12[3h])*

**150.03 BUILDING NUMBERING PLAN.** Building numbers shall be assigned in accordance with the building numbering plan on file in the office of the Clerk.

## CHAPTER 151

### TREES

151.01 Definition

151.02 Planting Restrictions

151.03 Duty to Trim Trees

151.04 Trimming Trees to be Supervised

151.05 Disease Control

151.06 Inspection and Removal

**151.01 DEFINITION.** For use in this chapter, "parking" means that part of the street, avenue, or highway in the City not covered by sidewalk and lying between the lot line and the curb line or, on unpaved streets, that part of the street, avenue, or highway lying between the lot line and that portion of the street usually traveled by vehicular traffic.

**151.02 PLANTING RESTRICTIONS.** No tree shall be planted in any parking or street except in accordance with the following:

1. Alignment. All trees planted in any street shall be planted in the parking midway between the outer line of the sidewalk and the curb. In the event a curb line is not established, trees shall be planted on a line ten (10) feet from the property line.
2. Spacing. Trees shall not be planted on any parking that is less than nine (9) feet in width, or contains less than eighty-one (81) square feet of exposed soil surface per tree. Trees shall not be planted closer than twenty (20) feet from street intersections (property lines extended) and ten (10) feet from driveways. If it is at all possible trees should be planted inside the property lines and not between the sidewalk and the curb.
3. Prohibited Trees. No person shall plant in any street any fruit-bearing tree or any tree of the kinds commonly known as cottonwood, poplar, box elder, Chinese elm, evergreen, willow, or black walnut.

**151.03 DUTY TO TRIM TREES.** The owner or agent of the abutting property shall keep the trees on, or overhanging the street, trimmed so that all branches will be at least fifteen (15) feet above the surface of the street and eight (8) feet above the sidewalks. If the abutting property owner fails to trim the trees, the City may serve notice on the abutting property owner requiring that such action be taken within five (5) days. If such action is not taken within that time, the City may perform the required action and assess the costs against the abutting property for collection in the same manner as a property tax.

*(Code of Iowa, Sec. 364.12[2c, d & e])*

**151.04 TRIMMING TREES TO BE SUPERVISED.** Except as allowed in Section 151.03, it is unlawful for any person to trim or cut any tree in a street or public place unless the work is done under the supervision of the City.

**151.05 DISEASE CONTROL.** Any dead, diseased, or damaged tree or shrub that may harbor serious insect or disease pests or disease injurious to other trees is hereby declared to be a nuisance.

**151.06 INSPECTION AND REMOVAL.** The Council shall inspect or cause to be inspected any trees or shrubs in the City reported or suspected to be dead, diseased or damaged, and such trees and shrubs shall be subject to the following:

1. City Property. If it is determined that any such condition exists on any public property, including the strip between the curb and the lot line of private property, the Council may cause such condition to be corrected by treatment or removal. The Council may also order the removal of any trees on the streets of the City which interfere with the making of improvements or with travel thereon.

2. Private Property. If it is determined with reasonable certainty that any such condition exists on private property and that danger to other trees or to adjoining property or passing motorists or pedestrians is imminent, the Council shall notify by certified mail the owner, occupant or person in charge of such property to correct such condition by treatment or removal within fourteen (14) days of said notification. If such owner, occupant, or person in charge of said property fails to comply within 14 days of receipt of notice, the Council may cause the condition to be corrected and the cost assessed against the property.

All as published by the International Code Council, Inc. in cooperation with International Conference of Building Officials of Whittier, California; and the

*National Electrical Code* 2017 edition (hereinafter known as the NEC) as published by National Fire Protection Association.

The provisions of said Building Code shall be controlling in the construction of buildings and other structures and in all matters covered by said Building Code within the City of Janesville, Iowa, and shall be known as the City of Janesville, Iowa Building Code. The appendices are approved for reference only.

**155.03 TRANSITION PERIOD.**

1. A construction project that is subject to the provisions of any rule contained in this Code may comply with the requirements established either in the edition of the codes adopted herein or the requirements established in the edition of the same code previously in effect if the project is commenced no later than 120 days after the effective date of this Code. For this provision to become applicable the submitter must have obtained signed contracts for the project prior to the effective date of this Code and provide documentation to this effect to the Building Department.

**155.04 PERMIT FEES, EXEMPTION FROM PERMIT.**

1. Fees pertaining to permits and actions required by this ordinance shall be in accordance with the Schedule of Fees, as determined and adopted by resolution of the City Council of Janesville, Iowa. A copy of the Schedule of Fees shall be on file in the office of the Building Official. Whenever any work for which a permit is required by this Code has been commenced without first obtaining said permit, a special investigation fee in an amount equal to the permit fee or \$250.00, whichever is higher, shall be collected whether or not a permit is subsequently issued.

2. Work Exempt From Permit. Exemption from permit requirements of this Code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction. Permits shall not be required for the following:

**A. Building:**

(1) One-story detached accessory structures used as tool and storage sheds, playhouses and similar uses, provided the floor area does not exceed 120 square feet.

(2) Retaining walls that are not over 4 feet in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge.

(3) Water tanks supported directly upon grade if the capacity does not exceed 5,000 gallons and the ratio of height to diameter or width does not exceed 2:1.

(4) Sidewalks and driveways.

(5) Painting, papering, tiling, carpeting, and similar finish work.

(6) Prefabricated swimming pools that are less than 24 inches deep, are not greater than 5,000 gallons and are installed entirely above ground.

(7) Swings and other playground equipment.

(8) Window awnings supported by an exterior wall which do not project more than 54 inches from the exterior wall and do not require additional support.

(9) Replacement of storm doors, entrance doors and garage doors provided the size of the opening remains unchanged.

**B. Electrical:**

- (1) Listed cord-and-plug connected temporary decorative lighting.
- (2) Replacement of switches, receptacles and lighting fixtures to existing branch circuits.
- (3) Replacement of branch circuit overcurrent devices of the required capacity in the same location.
- (4) Electrical wiring, devices, appliances, apparatus or equipment operating at less than 25 volts and not capable of supplying more than 50 watts of energy.
- (5) Minor repair work, including the replacement of lamps or the connection of approved portable electrical equipment to approved, permanently installed receptacles.

C. Gas:

- (1) Portable heating, cooking or clothes drying appliances.
- (2) Replacement of any minor part that does not alter approval of equipment or make such equipment unsafe.
- (3) Portable-fuel-cell appliances that are not connected to a fixed piping system and are not interconnected to a power grid.

D. Mechanical:

- (1) Portable heating appliances.
- (2) Portable ventilation appliances.
- (3) Portable cooling units.
- (4) Steam, hot- or chilled-water piping within any heating or cooling equipment regulated by this Code.
- (5) Replacement of any minor part that does not alter approval of equipment or make such equipment unsafe.
- (6) Portable evaporative coolers.
- (7) Self-contained refrigeration systems containing 10 pounds or less of refrigerant or that are actuated by motors of 1 horsepower or less.
- (8) Portable fuel cell appliances that are not connected to a fixed piping system and are not interconnected to a power grid.

E. Plumbing:

- (1) The stopping of leaks in drains, water, soil, waste or vent pipe, provided however, that if any concealed trap, drain pipe, water, soil, waste or vent pipe becomes defective and it becomes necessary to remove and replace the same with new material, such work shall be considered as new work and a permit shall be obtained and inspection made as provided in this Code.
- (2) The clearing of stoppages or the repairing of leaks in pipes, valves or fixtures and the removal and reinstallation of water closets,

provided such repairs do not involve or require the replacement or rearrangement of valves, pipes or fixtures.

**155.05 BOARD OF APPEALS.** In order to hear and decide appeals concerning the suitability of alternate materials and methods of construction and to hear and decide appeals of determinations made by the Building Official or designated representative concerning interpretations of the provisions of this Code, there shall be and is hereby created a Board of Appeals, consisting of nine (9) members whose place of business, residence, or work is located in the jurisdictions served by the Bremer County, Iowa Building Department, and who are qualified by experience and training to pass upon matters pertaining to building construction. The Building Official or designee shall be an ex-officio member and shall act as Secretary of the Board of Appeals involving this Code. The Board of Appeals shall be appointed by the Bremer County Board of Supervisors and the Mayors of Denver, Dunkerton, Readlyn, Janesville, Waverly & Tripoli. Each jurisdiction shall appoint one member with the exception of Bremer County and Waverly, who shall appoint two (2). The present Board members shall serve the remainder of their appointed terms or until their successors are duly appointed and qualified. All successive appointments or reappointments shall be for five-year terms. The Board shall adopt reasonable rules and regulations for conducting its investigations and shall render all decisions and findings in writing to the Building Official, with a duplicate copy to the appellant. The Board shall have no authority to waive requirements of this Code.

**155.06 BONDING AND INSURANCE.**

1. General Contractor Insurance. No person, firm or corporation shall engage in the business of general contracting in the City of Janesville without first supplying the Bremer County Building Department with a Certificate of Liability Insurance with minimum liability limits of \$50,000. No insurance shall be required for the following described work:

A. Homeowners (owner/occupants) qualifying for the Homestead Tax exemption may acquire permits for their principal residence (not an apartment) and appurtenant accessory structures.

**155.08 ELECTRICAL LICENSES.**

1. Licensing and Permit Acquisition. No person, firm or corporation shall engage in the business of electrical contracting in the City of Janesville without first supplying the Bremer County Building Department with a Certificate of Liability Insurance with minimum liability limits of \$50,000, and supplying the Building Department with a copy of their electrical license and the electrical license of any and all employees employed by the contractor, firm or corporation for a wage or salary issued by the Iowa Electrical Examining Board in accordance with Iowa Code Chapter 103.

A. Electrical work performed under the provisions of this chapter must be done by a contractor meeting the licensing provisions as set forth by the Iowa Electrical Examining Board in accordance with Iowa Code Chapter 103. A responsible person or an electrician licensed by the State of Iowa Electrical Examining board as a "Master A or B" may sign and obtain a permit for the contractor for which they are employed only when said responsible person or "Master A or B" has provided proof of employment or written confirmation by said licensed contractor. Any permit required by the provisions of this

Code may be revoked by the Building Official upon the violation of any provision of this Code.

B. A State of Iowa licensed electrical contractor shall be allowed only to secure permits for himself or herself, or for a single firm or corporation. When a State of Iowa licensed electrical contractor has secured such a permit, only the employees of such contractor when meeting the provisions of Iowa Code Chapter 103 shall perform the work for which the permit was obtained.

C. For purposes of this section, an "employee" shall be one employed by the contractor, firm or corporation for a wage or salary. A contractor may be required by the Building Official to show positive evidence as to the employee status of workers on the job. Such evidence shall be in the form of payroll and time records, canceled checks, State of Iowa licensing or other such documents.

D. The contractor may also be required to show the agreement or contract pertaining to the work being questioned as evidence that said contractor is, in fact, the actual contractor for such work. Failure or refusal by the contractor to make available such employee or contractual records within 24 hours from demand therefore shall be grounds for immediate revocation of any permit for the work in question.

E. Homeowners (owner/occupants) qualifying for the Homestead Tax exemption may acquire permits for their principal residence (not an apartment) and appurtenant accessory structures for electrical work, not to include dwelling service upgrade, replacement or the construction of new single family dwellings pursuant to Iowa Code Chapter 103.22.

F. Annual Permits. An industrial plant may apply for an annual permit to perform electrical work, for the maintenance and repair of electrical equipment, provided that the following requirements are satisfied:

- (1) The work must be performed on the premises of the industrial plant for the exclusive use of such plant.
- (2) The work must be performed by at least one Licensed Journeyman Electrician and all other persons employed by the firm to perform electrical work must be under the direct supervision of the Journeyman Electrician all of whom shall possess a valid license as issued by the Iowa Electrical Examining Board in accordance with Iowa Code Chapter 103.
- (3) The work performed under the annual permit shall not include the installation of electrical power or distribution equipment to a new structure or extension to an existing structure.

#### **155.09 PLUMBING LICENSES.**

1. Licensing and Permit Acquisition. No person, firm or corporation shall engage in the business of plumbing or HVAC contracting in the City of Janesville without first supplying the Bremer County Building Department with a Certificate of Liability Insurance with minimum liability limits of \$50,000, and supplying the Bremer County Building Department with a copy of their plumbing and HVAC license and the license of any and all employees employed by the contractor, firm or

corporation for a wage or salary issued by the State of Iowa Plumbing and Mechanical Systems Board.

A. Permits are Not Transferable. Plumbing work performed under the provisions of this chapter must be done by a contractor meeting the licensing provisions as set forth by the State of Iowa Plumbing and Mechanical Systems Board. A plumber licensed by the State of Iowa Plumbing and Mechanical Systems Board as a "Master" may sign and obtain a permit for the contractor for which they are employed only when said "Master" has provided proof of employment by said licensed contractor. Any permit required by the provisions of this Code may be revoked by the Building Official upon the violation of any provision of this Code.

B. A State of Iowa licensed plumbing contractor shall be allowed only to secure permits for himself or herself, or for a single firm or corporation. When a State of Iowa licensed plumbing contractor has secured such a permit, only the employees of such contractor shall perform the work for which the permit was obtained.

C. For purposes of this section, an "employee" shall be one employed by the contractor, firm or corporation for a wage or salary. A contractor may be required by the Building Official to show positive evidence as to the employee status of workers on the job. Such evidence shall be in the form of payroll and time records, canceled checks, State of Iowa licensing, or other such documents.

D. The contractor may also be required to show the agreement or contract pertaining to the work being questioned as evidence that said contractor is, in fact, the actual contractor for such work. Failure or refusal by the contractor to make available such employee or contractual records within 24 hours from demand therefore shall be grounds for immediate revocation of any permit for the work in question.

E. Homeowners (owner/occupants) qualifying for the Homestead Tax exemption may acquire permits for their principal residence (not an apartment) and appurtenant accessory structures for plumbing work, not to include connection within the public right-of-way to the public main of sewer, water and storm lines, or any private on site wastewater treatment system.

**155.09 MOVED BUILDINGS AND TEMPORARY BUILDINGS.** Buildings or structures moved into or within the jurisdiction shall comply with the provisions of this Code. Temporary structures such as reviewing stands and other miscellaneous structures, sheds, canopies or fences used for the protection of the public around and in conjunction with construction work may be erected by special permits from the Building Official or issuing authority for a limited period of time. Such buildings or structures need not comply with the type of construction or fire-resistance or time periods required by this Code. Temporary buildings or structures shall be completely removed upon the expiration of the time limit stated in the permit.

**155.10 UNSAFE BUILDINGS.** All buildings or structures which are structurally unsafe or not provided with adequate egress, or which constitute a fire hazard, or are otherwise dangerous to human life, or which in relation to existing use constitute a hazard to safety, health or public welfare, by reason of inadequate maintenance, dilapidation, obsolescence, fire

hazard, disaster damage, or abandonment, as specified in this Code or any other effective ordinance, are, for the purpose of this section, unsafe buildings. All such unsafe buildings are hereby declared to be public nuisances and shall be abated by repair, rehabilitation, demolition, or removal in accordance with procedures provided by local or state law. The Building Official is authorized to exercise emergency measures to protect the health, safety and public welfare of the community by certain procedures as follows:

1. Inspect the building and surrounding premises to determine the extent of dilapidation, damage, obsolesce, fire hazard and risk as an attractive nuisance.
2. Inform the owner or owner's agent of the unsafe, dangerous or hazardous condition which causes such building to be unsafe or an attractive nuisance.
3. Inform the owner or owner's agent of the applicable provisions of the Building Code and demand a commitment regarding a time schedule and manner of compliance with said Code.
4. Order the prompt boarding up of the windows, doors, and other openings of unsafe or vacant buildings to prevent unauthorized access or the perpetuation of an attractive nuisance during the time which is necessary to gain compliance with the Building Code.
5. Order the disconnection of any electricity supply to a building or structure when it is ascertained that the equipment or any portion thereof has become hazardous or unsafe.
6. Upon the failure of the owner or the owner's agent to comply with the order to close, board up and secure an unsafe building within a twenty-four (24) hour time period after receiving such order, the Building Official may cause the openings boarded up and secured, or the premises barricaded and fenced, and the unsafe conditions abated, with the cost of such construction, barricading, fencing and abatement to be assessed against the property.

**155.11 UNSAFE APPENDAGES.** Parapet walls, cornices, spires, towers, tanks, statuary and other appendages or structural members which are supported by, attached to, or a part of a building and which are in a deteriorated condition or otherwise unable to sustain the design loads which are specified in this Code, are hereby designated unsafe and as such are public nuisances and shall be abated in accordance with the local or State laws governing.

**155.13 FLOODPLAIN.** All references to construction standards in the floodplain found in the IBC & IRC shall be referred to those standards as adopted in State and local ordinances.

**155.14 INTERNATIONAL BUILDING CODE.** The IBC shall be adopted in its entirety except for the following:

1. Section 101.4.4 Property Maintenance – Delete reference to International Property Maintenance Code and insert in lieu thereof the following: *2018 International Building Code.*
2. Section 105.2 Work Exempt From a Permit – Delete the section. Refer to Section 155.04 of this ordinance.
3. Sec. 113, Board of Appeals – Delete section. Reference 155.05.

4. Delete Chapter 13 Energy Efficiency and insert in lieu thereof *International Energy Conservation Code* as adopted by the State of Iowa and any subsequent amendments thereto.
5. Delete Section 1608.2 and insert in lieu thereof the following:  
Ground Snow Load. The ground snow load to be used in determining the design snow load for roofs is hereby established at 35 pounds per square foot. Subsequent increases or decreases shall be allowed as otherwise provided in the Building Code, except that the minimum allowable flat roof snow load may be reduced to not less than 80 percent of the ground snow load.
6. Chapter 27, Electrical – Delete chapter. Reference *2017 National Electrical Code*.
7. Appendix Chapter's A, B, C, D, E, F, G, H, I, J, K, L, M, and N are for reference only.

**155.14 INTERNATIONAL RESIDENTIAL CODE.** The IRC shall be adopted in its entirety except for the following:

1. Section R105.2 Work Exempt From Permit – Delete the section: Refer to Section 155.04 of this ordinance.
2. Section R112 Board of Appeals – Delete section. Reference 155.05.
3. Table R301.2(1) shall read as follows:
  - A. Ground Snow Load – 35 PSF
  - B. Wind Speed – 115 MPH (3 second gust)
  - C. Topographic Effects – No
  - D. Seismic Design Category – A
  - E. Subject to Weathering Damage From, Weathering (severe), Frost line depth (42"), Termite (slight to moderate)
  - F. Winter Design Temperature – -10 degree
  - G. Ice Barrier Underlayment Required – Yes
  - H. Flood Hazards – FIRM dated 3/04/08
  - I. Air Freezing Index – 2500
  - J. Mean Annual Temp – 45 degrees
4. Table R 302.1(1) Amend by changing the fire-resistance rating of projections to 0-hours in lieu of 1-hour on the underside.
5. Delete Section R302.2.2 Common Walls.
6. Delete Section R302.3 and insert a new Section R302.3 to read as follows:  
Two Family Dwellings - Dwelling units in two family dwellings shall be separated from each other in accordance with Section R302.2.1.

8. Section R310.2.1 – Delete exception.
9. Delete Section R311.7.5.1 and insert a new Section R11.7.5.1 to read as follows:  
 Riser Height - The maximum riser height shall be 8 inches. The riser shall be measured vertically between leading edges of the adjacent

treads. The greatest riser height within any flight of stairs shall not exceed the smallest by more than 3/8 inch, except at the top or bottom riser of an interior stair where this dimension may deviate by a maximum of 1 inch. In no case shall the riser exceed the maximum height of 8 inches. The riser shall be vertical or sloped from the underside of the nosing of the tread above at an angle not more than 30 degrees from the vertical. Open risers are permitted provided that the opening between treads does not permit the passage of a 4-inch diameter sphere. Exception: The opening between adjacent treads is not limited on stairs with a total rise of 30 inches or less or on exterior stairs serving individual dwelling units.

10. Section R311.7.8.4 – Add an exception #3 to read as follows:  
Handrails within a dwelling unit or serving an individual dwelling unit shall be permitted to be interrupted at one location in a straight stair when the rail terminates into a wall or ledge and is offset and immediately continues.
